

# TAILOR-MADE TOURS OF CAERHAYS CASTLE GARDENS

We offer guided tours which are tailored to create customised, exclusive experiences at Caerhays Estate.

We've put together a number of ideas below for inspiration, but we can incorporate elements from each to create the perfect trip for your group, however large or small.

We are here to help with all the finer details too, such as accessibility, coach parking, refreshment stops, group dining, familiarisation trips and more.

## ONE OF THE GREAT GARDENS OF CORNWALL

### GROUP GARDEN TOUR

Visit Caerhays Castle Gardens, one of the prestigious Great Gardens of Cornwall, and enjoy a Garden Tour delivered by either Owner Charles Williams, Head Gardener, Jaimie Parsons, or Assistant Head Gardener, Michael Levett. This guided tour is a wonderful way to enjoy Caerhays Castle Gardens.

### VIP TOUR

A memorable experience awaits your customers with a Garden Tour, plus the opportunity to dine in the Castle hosted by owner Charles Williams. They'll enjoy the best of local Cornish produce with our fresh, seasonal menus.

### VIP+ TOUR

In addition to the Garden Tour, and a Castle dining experience, your group will receive a Castle Tour from one of our knowledgeable guides, and have the opportunity to stay at The Vein, the flagship property of the Caerhays Holidays portfolio on the historic Caerhays Estate ([caerhaysholidays.co.uk](http://caerhaysholidays.co.uk)).

### GREAT GARDENS OF CORNWALL TOUR

In conjunction with the Great Gardens of Cornwall, we offer bespoke VIP Garden Tours of this elite prestigious group of Cornish horticultural gems. Your group can stay in luxury at The Vein, and use the Caerhays Estate as a base to explore the best that Cornwall has to offer.
